Use of Bouncy castles, other inflatable devices and marquees on Monk Sherborne village playground

Monk Sherborne Parish Council is happy to allow the use of bouncy castles, inflatables, marquees on the village green under certain conditions as follows:

- The village playground can never be used in exclusivity. This means that members of the public cannot be excluded from using the green at any time.

Monk Sherborne Parish Council has public liability insurance in respect of its responsibilities as tenant of the land. However, this does NOT cover any injury, loss or damage sustained arising from the use of a bouncy castle or other similar inflatable device, or marquee.

Monk Sherborne Council would recommend you chose one of the following two options:

- 1) Use the services of a bouncy castle/inflatable hire company/marquee hire company with their own public liability insurance who will not only supply the equipment but also operate and supervise at all times during its use.
- 2) If this is not possible, you should look to arrange a short period public liability insurance policy. It is possible that cover may be provided by your home contents' policy (if you have one) but this must be checked with your insurer. Proof of cover will be required by Monk Sherborne Parish Council at least 10 days before the day of use on the village playground. You will have to supervise any inflatables at all times.

If your existing home contents insurance policy does not provide cover, cover may be obtained from a company offering one day public liability insurance for inflatables.

Once again, a valid public liability insurance certificate must be sent to Monk Sherborne Parish Council 10 days before the event takes place. It is your responsibility to ensure that the insurer's requirements are explicitly followed to ensure that full cover is provided.

If you place a bouncy castle or other inflatable device or marquee on the village playground, you are required to indemnify Monk Sherborne Parish Council against all liabilities, costs, expenses, damages and losses, penalties and legal costs (calculated on a full indemnity basis) and all other reasonable professional costs and expenses suffered or incurred by us arising out of or in connection with any claim made against us by either you or any third party arising out of or in connection with the use of any bouncy castle or other inflatable device on the village playground.

Monk Sherborne Parish Council reserves the right to decline any application to use an inflatable on the village playground.

I have read, understood and agree to be bound by the above specified conditions of use for a bouncy castle or other inflatable device on Monk Sherborne Village Playground:

Date and time of event:	
Name:	
Address:	
Telephone number:	
Signed:	
Date	

Please return your completed form to the Parish Clerk (clerk@monksherborne-pc.gov.uk) and copy in the Village Hall (enquiries@monksherbornevillagehall.org.uk) at least 10 days prior to the date of the event.
