I would like to make a pledge of £\_\_\_\_\_ to support the building of the new Monk Sherborne Village Hall. In signing this form, I consider myself bound to transfer the funds promptly to a bank account nominated by the Trustees of Monk Sherborne Village Hall (charity ref 1175663), should they call for all or part of the above pledge. I understand that the pledge may be drawn down in tranches. Once funds are paid over, they constitute a gift without reservation and cannot be returned in any circumstances. I agree that the Trustees may apply these funds to the project in any way they deem appropriate.

I also agree, when the Trustees call for the first tranche of the pledged funds, to sign a Gift Aid form to allow tax to be reclaimed by the Trustees from HMRC, assuming my taxable position allows me to do so.
